

Helpful First Time Home Buyer Program

The **Mortgage Credit Certificate (MCC)** program is a homebuyer assistance tool for first-time homebuyers in Portland. The MCC reduces the homebuyer's annual tax liability as long as they keep the loan and continue to occupy the home as their principal residence.

It is a tax credit which helps the homebuyer to more comfortably afford the monthly payment on their first home.

The amount of the MCC tax credit will equal 20 percent of the annual mortgage interest paid by the homebuyer.

Eligibility

- First-time homebuyer, which is defined as not having owned a home in the past three years - this requirement is waived if the property is located in a Target Area*.
- Annual household income limit is based on family size as follows:
 - 1-2 Persons \$72,000
 - 3 or more persons \$82,800
- Must be located within the Portland city limits.
- Must be owner-occupied during the life of the loan.
