### **Pia and Jonathan – Portland**

*“With new keys in our pockets, we’d like to thank you for all the work you’re done over the past four months on our behalf. You responded to emails during your daughter’s basketball games, allowed your office to become a playspace for our girls and provided us with thorough, timely and clear information throughout the whole process. Your help has made a dream come true!”*

### **Joe & Kristin – Beaverton**

*“Anette Seiverson is the ultimate professional. Anette came very highly recommended and not only lived up to but exceeded every expectation. Being first time home buyers, the task of going through this process was daunting but Anette was there every step of the way with the right answer and a smile on her face. Anette and her assistant always made themselves available to us and were very responsive with everyone from the beginning to the end of the process. Her assistance is prompt and thorough; she gives wonderful advice and service, and delivers on all her promises making sure there are no unpleasant surprises along the way. Anette is also a kind and very thoughtful person, serving her clients with integrity and personal interest. We highly recommend that Anette should be the first person to call if you’re looking for a mortgage broker.”*

### **Kaz – Portland**

*“I wanted to take a moment and thank you and your wonderful staff for your professionalism and your help in securing our loan. This is not our first time buying a home, so we had an idea what to expect. We had also been recommended a “preferred lender” by the developer of our condo, and we had contacted them for the loan processing. After having been given false information, no follow through, and complete lack of professionalism by the lending department of that preferred national bank, you and your staff literally renewed our faith in the lending business. You were able to come up with 4-5 lending combinations, review the pros and cons of each, and help us choose the right one, with the closing costs that were significantly less than we had anticipated. You never hesitated to take my calls, more than once you and I were on the phone trying to hammer out the final details well past the normal business hours, and you genuinely made us feel as though we were your only clients. I have recommended your services to my friends and clients, and I look forward to working with you again!”*

### **Matt & Keinya - Portland**

*“Our experience with Anette was excellent. She gave us good advice throughout the process of obtaining our loan, was always available when something came up, and even attended our closing to make sure everything went according to plan. Most importantly, however, is that Anette always put our best interest first. We are very happy with our loan package, and have Anette to thank.”*

*“Thank you so much for the closing gift. What a lovely punctuation to what is a very significant day for us. Neither of us has ever received a gift from our mortgage broker before, so it was quite a pleasant surprise. You have been exceptionally helpful every step of the way and now it turns out that you are as thoughtful and gracious as you are competent. You are first class, Anette, and it has been a privilege to work with you.”*
