

My Testimonials

John & Michelle – Hillsboro

"We purchased a home—our first! We would highly recommend Mr. Tim McBratney to anyone in the market for a mortgage. His universal knowledge of the various types of mortgage loans saved us a considerable amount of time and money. He was always courteous and respectful of our wishes, and (we cannot emphasize this enough) he always returned our telephone calls!"

Ken & Brenda – Newberg

"I appreciated how quickly Tim got me pre-approved. Tim was very professional & courteous in answering all of my questions (and I had lots). Tim was very expedient--I had to leave on vacation before closing and Tim made sure my loan was approved before we left."

Scott & Kursteen – Portland

"I wanted to thank you for the excellent assistance you provided Kursteen & I in arranging the mortgages for the Chown Pella property. We felt we were in good hands all the way through the process. We may be in the buying market again in the next few years and will definitely make contact with you at that time."

Thomas & Doreen – Tualatin

"Tim was GREAT to work with. He communicated very well with our agent and with us on all steps of the process. I would recommend Tim to anyone looking for mortgage services."

"I signed the papers at 2PM... thank you for making buying this house for my daughter and grandson pain free. Please know that Sonja from Lawyer's Title was highly complementary on how smooth it was to work with you and your staff, not to mention the impression you made on Vickie. I think it will lead to numerous referrals over the coming years."
